	13. Do you have a long-term health problem such as heart, lung, kidney, liver, or metabolic disease (e.g., diabetes), neurologic or neuromuscular disease, anemia or other blood disorder?		

**If you answered "YES" to any of the questions, you must talk with your pharmacist before being vaccinated.**

I voluntarily request and consent that a pharmacist employed by Publix Super Markets, Inc. ("Publix") administer to me the vaccine(s) ("Vaccine") selected above. I acknowledge that Publix has given me a copy of the Vaccine Information Statement that contains information about the Vaccine including information on certain adverse reactions that I may experience as a result of receiving the Vaccine, and I have carefully read and understand the Vaccine Information Statement. I have had an opportunity to ask the Publix pharmacist any questions about the Vaccine or about information in the Vaccine Information Statement and my questions have been answered to my satisfaction. I have truthfully answered all the questions regarding my medical history that are listed above. I understand that if I answered a question with a "Yes" there is an increased likelihood that I will experience an adverse reaction from the administration of the Vaccine. After careful consideration, I believe that the benefits of receiving the Vaccine outweigh the risks associated with receiving the Vaccine and I have decided to have the Publix pharmacist administer the Vaccine to me. If applicable, I authorize Publix to submit a claim to my insurer for this healthcare service and authorize an assignment of my insurance benefits under such claim to Publix. I will be financially responsible for any co-pays, coinsurance and deductibles for any loss, injury, death, or damage suffered or sustained by me or any other person at any time in connection with, or as a result of, the administration of the Vaccine to me by the Publix pharmacist. I, for myself, my heirs, executors, personal representatives and assigns, hereby release Publix, its employees and contractors, specifically the administering pharmacist, its agents or representatives from any and all claims arising out of, in connection with, or in any way related to my receipt of the Vaccine from Publix as allowed by applicable law. By providing your mobile phone number, you expressly request and authorize us to deliver or cause to be delivered calls and unencrypted messages to you at the number provided, whether or not using an automatic telephone dialing system or an artificial or pre-recorded voice, for any and all purposes related to your treatment, including but not limited to prescriptions and reminders and information regarding completing the second dose of the vaccination, as well as related to payment, insurance, healthcare operations, quality improvement, utilization, disease or case management, or for telemarketing and advertising care alternatives and other benefits, products, and services that may be of interest. I understand that texts and push notifications are not secure. If others intercept the messages or access my device, they will be able to see confidential health information. You understand that you need not agree as a condition to purchase any goods or services. By signing below, I certify that I am the patient or the patient's guardian/personal representative signing on behalf of the patient, and that I have read, understand and agree to all the statements on this form.
